

ORGANIC OPEN DAY

Organic Research Centre - Elm Farm

Friday July 16th 2010, 10am-5pm

A day packed with information for all with an interest in organic food production and research:

- ♣ Exhibits and publications on current research
- ♣ Advisory clinics on farming and energy issues throughout the day
- ♣ Visits to trial sites at Sheepdrove and Dove's Farm
- ♣ Workshops throughout the day on a wide range of topics (see over)
- ♣ Films on food, farming and environmental topics
- ♣ Launch of participatory research and demonstration network
- ♣ Food and drink stands provided by Helen Browning's Flying Pig outside catering (organic burgers, salads, etc) and Vintage Roots organic wine and beer

Entrance is free of charge, but to ensure we meet your expectations, please register in advance using the form overleaf (or online)

**Look out also for our Organic and Local Food Festival
at Elm Farm on Saturday July 17th 2010, 10am-5pm**

Celebrating 30 years of The Organic Research Centre - Elm Farm
